HOCHTIEF AirPort Retail invites Santa Claus to Tirana International Airport

Christmas event at Albania's capital airport

Santa Claus is coming to Tirana? Yes, at Tirana International Airport everything is possible! In the period December 24-26, 2008, visitors and passengers can meet Santa Claus there, when he will be telling stories of his long journeys and distributing little presents to children. On each of these days he will be at the airport from 4 to 6.30 a.m., from 11.30 a.m. to 4.30 p.m. and from 6.30 to 7.30 p.m.

With this initiative, HOCHTIEF AirPort Retail (HTAR), Tirana International Airport and the concessionaires wish all airport guests a Merry Christmas and a happy holiday season. At the same time, the event sponsors would like to thank their customers for the trust shown to them during the past year.

As master concessionaire, HTAR bears overall responsibility for all retail operations at the airport. It provides advice and support for the retailers and ensures an attractive shopping atmosphere with a high-grade mix of international brands and regional products. With the support of Tirana International Airport, HTAR stages several events in the terminal.

As a wholly owned subsidiary of airport manager HOCHTIEF AirPort GmbH, HTAR bundles the company's competencies in airport retail business. At Tirana International Airport, HTAR holds the master concession for all retail, duty-free and catering business. HOCHTIEF AirPort acquired 47 percent of the shares of the airport company Tirana International Airport SH.P.K. in 2005 and since then has been responsible for operational management.
